# Fortini Smoothie Multi Fibre

AVERAGE CONTENTS: Summer Fruit (for Berry Fruit see individual packaging)

## Description

Fortini Smoothie Multi Fibre is a Food for Special Medical Purposes for use under medical supervision. Fortini Smoothie Multi Fibre is a nutritionally complete 1.5 kcal/ml ready to drink fruit smoothie style sip feed, with added fibre, for the dietary management of disease related malnutrition in children from one year of age (>8kg in body weight). It is enriched with 1.4g/100ml Multi Fibre, providing 70% soluble and 30% insoluble fibre. Fortini Smoothie Multi Fibre can be used to supplement the diet of children who are unable to meet their nutritional requirements from other foods, or it is suitable as a sole source of nutrition for children aged 1-6 years or 8-20 kg in body weight (see precautions).

Fortini Smoothie Multi Fibre is available in 200ml bottles, in two flavours; summer fruit and berry fruit.

## Indications

For enteral use only. ACBS approved, prescribable on Form FP10 (GP10 in Scotland) for the following indications: disease related malnutrition; growth failure.

## Contraindications

Not for intravenous use. Not suitable for infants under 1 year of age. Not suitable for patients with galactosaemia, or patients requiring a fibre free diet.

## Precautions

Due to the fibre content, intakes greater than 4 bottles per day should be used with caution.

## Directions for use

Fortini Smoothie Multi Fibre is best served chilled. It may be frozen or gently heated (not boiled). Shake well before opening.

## Storage

Store in a cool, dry place (5-25°C). Once opened, Fortini Smoothie Multi Fibre should be consumed within 4 hours, or stored in a refrigerator for up to 24 hours. Discard unused contents thereafter.

## Shelf life

10 months. Best before date: see side of bottle.
