Description

Souvenaid is a Food for Special Medical Purposes for the dietary management of early Alzheimer's disease. Souvenaid is a 1kcal/ml, ready to drink, milk based oral nutritional supplement containing vitamins and minerals. Only to be used as a supplement to the normal diet, not suitable as a sole source of nutrition. To be used under medical supervision.

Souvenaid is available in 125ml bottles, in two flavours: strawberry and vanilla.

Indications

For enteral (oral) use only. For the dietary management of early Alzheimer's disease.

Contraindications

Not for parenteral use. Not suitable for patients with galactosaemia.

Precautions

Only to be used as a supplement to the normal diet, not suitable as a sole source of nutrition. Contains ingredients obtained from milk, fish and soy.

Directions for use

Recommended intake 1 bottle (125ml) once a day, in addition to normal food. Souvenaid is best served chilled. Shake well before opening.

Storage

Store in a dry, cool place (5-25°C). Once opened, close the bottle and store in a refrigerator. Discard unused contents after 24 hours.

Shelf life

12 months. Best before date: see side of bottle.

Ingredients (Strawberry flavour*)

Water, maltodextrin, sugar, fish oil, milk proteins, flavouring (strawberry), uridine 5'-monophosphate disodium salt, choline chloride, acidity regulator (citric acid), stabilisers (microcrystalline cellulose and sodium carboxymethylcellulose), potassium citrate, soy lecithin, calcium hydroxide, sodium L-ascorbate, DL- α -tocopherol acetate, colour (carmine acid), magnesium hydroxide, potassium hydroxide, sodium chloride, sodium selenite, ferrous lactate, sodium citrate, pteroylmonoglutamic acid, cyanocobalamin, zinc sulphate, retinyl acetate, nicotinamide, pyridoxine hydrochloride, copper gluconate, manganese sulphate, chromium chloride, calcium D-pantothenate, D-biotin, cholecalciferol, thiamin hydrochloride, sodium molybdate, riboflavin, potassium iodide, phytomenadione.

* For vanilla flavour see individual packaging.
